The wireframe illustrates a mobile application layout. At the top, there's a header bar with the title "Vites & Gourmand" on the left and navigation links "Notre Équipe", "Voir les Menus", and "Contact" on the right, along with a menu icon. Below the header is a sidebar titled "FILTERS" containing sections for "Price" (with dropdown menus), "Themes" (with three "BUTTON" placeholders), and "Min Guests" (with a slider and "BUTTON" and "RESET" buttons). The main content area is titled "MENU GRID" and features a 2x4 grid of menu items. Each item card has a placeholder image at the top, followed by the "Title", "Short description", a horizontal line, the "Price", and a large "ORDER" button at the bottom.
